GLENBARD SOUTH
Where Excellence is Tradition

Special Parent Edition January 2019

Sandra Coughlin: Principal

Join Your Glenbard South High School Booster Organization

The Glenbard South Booster organization is dedicated to supporting and promoting student interest and service clubs, art and music organizations, athletic teams and other extracurricular activities through volunteerism and financial support. Joining the Booster Club and volunteering at school events are great ways to support our students, meet other parents, and get involved in the GSHS community.

Just last year alone, the Booster Club raised nearly $60,000 to help fund our student's extracurricular activities, teams, and organizations. We are able to support our students through booster club membership, school fundraising events, and generous donations from parents, alums, grandparents, and friends of GSHS.

There is clear evidence that students who are involved in extracurricular activities enjoy their high school experience more, are better prepared to meet the challenges of adult life and increase their chances for scholarships and other college successes. Extracurricular activities also build memories and friendships that last a lifetime.

Our goal is to ensure Glenbard South has a variety of activities available to students that will spark their passions and enhance their skills. WE NEED YOU!!! We encourage you to volunteer at athletic and other events, join a Booster Committee and attend our socials. There are numerous opportunities for you to share your talent and time.

Most important, by joining the GS Boosters, you will find a community of involved parents supporting our kids, their activities, sponsors, coaches, and friends.

THANK YOU! and GO Raiders!

PACK THE PLACE FAMILY NIGHT

Friday, January 18th, 2019
