Ms. Sandra Coughlin, Principal

Dear Glenbard South Parent or Guardian:

Welcome to the 2017-2018 school year! We are looking forward to working with your student to make this year successful and rewarding! The information included in this packet will make the process as simple and convenient as possible. As you complete the registration materials in this packet, please keep the following items in mind:

- **Online Registration & Payment** - Online registration will be available July 10th through August 3rd. Please follow the system prompts to register your student and pay your fees online by August 3rd to realize your prompt pay discount of \$35 (Instructions enclosed). Note: If you do not have internet access, computers are available at school during summer hours and your local library has computers available. Registration payments made after August 3rd will pay the full registration fee of \$235. *Registration and payment of fees are required prior to students receiving instructional materials and schedules during Back-to-School Week.*
- **Back-to-School Week** – Back-to-School Week will be held August 7th through August 9th. It is important that students attend on their scheduled day. During Back-to-School Week, students will receive their class schedules, transportation information and have their ID/yearbook pictures taken. Your student will be issued instructional materials and/or devices and will need to purchase required consumable items (e.g. PE uniforms, etc.).
- **iPad Rental Program** – All students participate in the iPad rental program and will receive digital curriculum & applications that manage assignments and work flow. The annual iPad rental fee is \$189 and the digital curriculum fee is \$85 per year. Families that make four iPad rental payments over their student's career at Glenbard own the device upon graduation, as long as all fees have been paid in full. **All incoming freshmen** will be issued an iPad during Back-to-School Week and will receive required training the day that they receive their device. More details are provided in this packet.
- Returning students are expected to bring their device to Back-to-School Week. Students should run all software updates in advance to help expedite the iPad readiness check-in process.

We hope that you continue to stay connected with Glenbard South over the summer. You can follow us on twitter @GBSraiders or on our website www.glenbardsouthhs.org

Routes:

Glenbard School District 87 uses transportation routing software to lower transportation costs and increase efficiency. Bus routes may be different from one school year to the next as routes are re-evaluated. Please look for bus information at BACK-TO-SCHOOL WEEK in August. Route information for your student will also be available on-line, at your school web-site.

Student ID - Ridership Requirements:

Students are required to carry and present upon request their student ID to any bus driver or Glenbard staff member. Students not able to produce their ID will be required to receive a temporary pass to ride the PM bus. Students not able to produce their ID will be referred to the Dean's office for appropriate consequences. Students will be responsible for riding their designated buses. Bus drivers and school administrators will deny requests for students to ride other routes than previously assigned unless pre-approved by the Dean's office.

FOOD SERVICE: District 87 is pleased to partner with Sodexo, Inc. for our cafeteria service. Valuable information regarding Sodexo, menu offerings, on-line prepayment instructions for student breakfast and lunch is available on-line at www.glenbard87.org/parents/foodservices/. INSURANCE: District 87 provides 'school time' accident insurance protection for your student as part of its current insurance program. 'School time' includes the school day while your student is attending academic school sessions and up to one hour before and one hour after regular classes. Your student is protected during school-sponsored activities as well, which further includes travel directly or indirectly and uninterruptedly to and from such school activity. Note: This coverage does not include interscholastic tackle football. Benefits are secondary to all other collectible insurance policies. Accidents or injuries must be reported to the appropriate teacher, coach, trainer or nurse as soon as possible. Accidents that are not reported within 30 days of the accident will not be covered by the insurance carrier. Medical insurance is the responsibility of parents. This insurance program is for 'school time' accidents only. Optional coverage can be purchased for two programs: 24-Hour Optional Coverage and Grade 9-12 Interscholastic Tackle Football. Insurance brochures are available during BACK-TO-SCHOOL WEEK or can be received by calling the school.
