News from your Booster Board.....

Welcome! It's time for another great year at Glenbard South.

*Welcome! To our new principal Ms. Terri Hanrahan,
we hope each of you takes time to say hello to our newest Raider!*

The Booster organization is a vital part of the school community and involves parents, teachers, administrators and alumni with the community who support the activities and events of Glenbard South High School. All our programs and events are planned for the students, parents and community to encourage support of the school financially and with "hands-on" involvement to all become better acquainted as neighbors and friends of Glenbard South.

Our success depends on YOU! There are so many ways to get involved, we welcome your participation. Become a booster member! Membership forms were mailed to each family and are available on-line or in the school office. Volunteer! We have one time events to involve you or year long "duties," your choice, for the amount of time you have. Volunteer forms were mailed and are also available in the school office. Completing the form is optional! A quick phone call to any of the officers will help place you on a committee or to help at an event. Your time as a volunteer is truly appreciated and will help you meet other parents with similar age children and perhaps give you insight into these "teen years." Lastly your financial support thorough Booster Bucks, Market Day, Raider Wear and other fund-raisers goes back to the students of Glenbard South. Each year the principal provides a "wish list" of items the Boosters hope to fulfill. Our 2006-2007 donation of \$50,000 was truly appreciated. We have bought musical instruments, athletic equipment, science Olympiad supplies, home & consumer science dishwashers, belt sanders, photography supplies, media center materials and more.

EVERY student benefits from your generous support.

Our next general meeting will be held on Tuesday September 4, 2007 at 7:00 p.m. in the conference room across from the commons. We invite you to attend and get involved! Come kick off the school year with us! See you at Open House!
