Glenbard South vs. Kaneland

News from the Booster Board.....

It's time for the changing of the season, fall has ended with the Raider Football team reaching playoffs and their excellent game vs. Richards. Winter is here and Basketball has begun with both Girls and Boys starting off strong.... the boosters are in seasonal transition also with less events this month and NEW events to look forward to in 2008.

While outdoor concessions have closed, indoors we still offer opportunities for parents to assist at Basketball games, special events and tournaments. Jane Yasak continues to coordinate the concession program please contact her if you have even an afternoon or evening to help!

The Hospitality Committee led by Raydene Chapman provided an awesome dessert table for the GSHS staff during American Education Week. Fresh fruit, baked goods, cookies and treats were enjoyed by all. Many thanks to the committee assisting Raydene and the many parents who provided treats.

The fall musical "My Fair Lady" was an outstanding production featuring many, many GSHS students in November. Thanks to Jeannine Zaroni and Lori Lewis for coordinating concessions at the three nights of shows.

Upcoming Choir, Orchestra, and Band concerts are a great time to use your booster family pass! These performances showcase our many talented student musicians, and are a great benefit to the local community. The Madrigal dinner is also a special holiday event to share with family and friends.

Kudos to Mari Jourdan and April Messmore for assisting the school with recruitment of volunteers for the student heart scan screenings. Almost 200 parents, volunteers and COD radiology students provided assistance during the two days.

*After holiday break the annual **Pack the House Pasta Dinner** and Basketball night kicks off the winter season. (Let's fill the gym with Red, White & Blue!!) Plan to attend and enjoy the pasta dinner, watch both girls and boys basketball teams face Kaneland, and boogie to the Raider Pep Band! New this year elementary and middle school students in their school colors are admitted free to the game(s) with an adult in attendance.*

*Our **Winter Parent Social** is upcoming in February and will be held at Fox Bowl. This will be a fun opportunity to visit with other parents, raise funds for the booster gift to school and socialize on a cold winter night..... check the newsletter for more details.*

*Lastly keep your holiday shopping EASY with our **Booster Bucks** program, **Market Day** and Raider Wear. Check the **website** for more details on how to order, it's as easy as the click of a mouse or making a phone call!*

The season's best to you and your family this holiday season! Peace in the New Year!

NOMINATING COMMITTEE

We are planning to propose a change in the make-up of the nominating committee this year to include more executive board members. The reason for the change is to bring in the expertise necessary to describe the responsibilities of the committee chairs for people considering accepting a certain position. We would also like to invite others, that would like to participate on the committee to let us know. We announce the committee at the January board meeting. This change is consistent with our current bylaws, so no revisions would be required.

If you are interested, please give one of us a call. Thanks,
