News from the Booster Board.....

Our academic year will soon be over and we wish all our seniors the best as they graduate on to new adventures and dreams. We also bid farewell to the many parents of these students who have been involved for many years in booster events and activities. Thank you for your service to our students and community.

At our last two meetings we will determine our final \$\$ gift to the school and again review the wish list from our principal. The final allocation will be voted on at our meeting Monday June 2, 2008. We welcome all to attend.

Our final events for the year are coming to a close. We want to thank Chris Parratore and Chris Warman for chairing the Booster Spring Luncheon and Fashion Show. A wonderful afternoon was had by the many students involved, their parents and extended family as well as friends in the community. Runners and walkers of all kinds showed their support at the annual Raider Run on May 4th. We were fortunate to have Brian Rice chair another successful year. Post Prom co-chairs Anne Schmalandt and Jane Yasak are busy planning a fun night for all Juniors and Seniors. We hope parents encourage their students to attend this safe after prom event. Our Hospitality Committee chaired by Raydene Chapman has provided refreshments at many school events and treats for our GSHS staff. Thanks to them and all the "bakers" for the wonderful hospitality! Inside school Kathy Davidson organizes our LRC volunteers and the LRC events that Boosters help with. The recent Brake for Books was a big success. Of course we could not have had such a great presence on the GSHS website without the assistance of Stephanie Wallace in the media center. As a staff member Stephanie goes above and beyond duties to keep the booster page updated and on the home page of the school website. Lynda and Joe Goldberg keep us informed about the music program and we appreciate their updates at the monthly meetings. Robin Dye did a great job on publicity and keeping everyone notified through email alerts. Lastly, many thanks to our newsletter editor, Betsy Curtis and the mailing team of Cheryl Zinnen and Carrie Shiring. We also applaud all of you who have "gone GREEN" and hope to add more names to decrease printing and mailing costs in the future.

Most of all thanks to each of you. Our booster organization is wonderful because of the volunteers, parent support and attendees at all our events. Maybe you just purchased concessions, bought a split the pot ticket, enjoyed the Floral Symphony or Fashion Show or proudly wore Raider Wear..... all help the boosters support our school.

Lastly thanks to Ms. Hanrahan. We have enjoyed our first year together, and look forward to many years ahead.

Please join us for the last board meeting of the school year, Monday June 2, 2008 at the home Bob & Amanda Batinich, 3 S. 059 Arboretum, Glen Ellyn, and welcome in the new executive board.

Attention All Fashion Show Seniors, Parents and Boosters!

"Chances Are" that you would like to see some pictures of the Booster Spring Luncheon and Fashion Show. Our photographer, Fritz Geiger of Geiger Photography, took many wonderful pictures throughout the day. Some of them might include your son or daughter!

Fritz donated all of his time and donated all proceeds received for pictures to the Boosters! Now he would like to share these with you! If you would like to view these pictures, go to <http://gallery.mac.com/frigei>

That is his gallery page. Click on the Booster Fashion Show. It will then open up the gallery for you.

Pictures can be downloaded at no charge.

Luncheon / Fashion Show
