A Note from your Booster Board

September has been a busy month for all of us, and we are off to a great start! The Boosters work together with Glenbard South administration, teachers and staff to provide events which benefit all, and the money raised supports athletics, music, and after-school clubs. In the upcoming issues we will provide more information on how the money is distributed. Lend a hand where you can. Our kids come out ahead when you do.

Contact any of us on the Executive Board for more information about the Boosters and come to our next meeting on Monday, October 6th, at 7 pm.
