

**GLENBARD HIGH SCHOOL DISTRICT #87
ATHLETIC CODE**

PURPOSE:

The Glenbard High School District #87 intends to develop good citizenship through both academic and extra-curricular programs. In particular, athletic activities provide a practical setting for developing leadership, loyalty, judgment, sense of responsibility, self-discipline, and competitiveness. One of the primary tools of the interscholastic athletic program at Glenbard High School District #87 is to provide student athletes with the lessons and skills necessary for success not only on the athletic field, but in all aspects and areas of their lives. Participating in Glenbard High School District #87 athletic activities is encouraged, but remains a privilege, not a right. Students choosing to participate in these activities bear the responsibility of representing their school within the community at large. As such, students who choose to participate will be held to a higher standard of conduct as a condition of participation.

APPLICATION OF THE CODE:

Violations of the Code are limited to incidents of misconduct verified by District 87 staff, law enforcement agencies or an admission of guilt by the student. Direct reports from law enforcement agencies of illegal activity will be investigated. A code violation is verified if, by the information available, it appears more likely than not that a code violation has occurred.

The Code of Conduct is in effect 24 hours a day, every day of the calendar year. The code applies to incidents of misconduct on or off school property, whether school is in session or not, and whether a student's sport is in season or not.

EXPECTATIONS:

Student athletes will:

- A. Attend school, practices and contests.
- B. Travel on school-arranged transportation for all events away from school except in unusual circumstances approved by the coach and provided that a parent/guardian authorization form is signed by the parent/guardian and provided to the coach.
- C. Comply with IHSA eligibility standards.
- D. Be responsible for all equipment and/or clothing issued for the activity and the return of such equipment at the end of the activity.
- E. Adhere to all rules set forth in Glenbard High School District #87 Student Handbook, Board Policy 7:190 regarding student discipline, and all other Board Policies. A suspension from school may result in an additional suspension from an athletic activity.
- F. Display conduct becoming of a Glenbard High School District #87 representative, including respect for people and property at all times. In addition, athletes should recognize that hazing, as defined within Board Policy 7.190, is strictly prohibited by this Code of Conduct. Administrators and coaches prohibit any and all forms of hazing or initiation rights to a club, activity or athletic team.

- G. Abide by team rules as established by the individual coaches in consultation with the Assistant Principal for Athletics.
- H. Not use or possess tobacco products of any kind.
- I. Not use or possess any illegal or controlled substance, including marijuana, alcohol, unlawful drugs, “look-alike” drugs, drug paraphernalia, and/or any other substance not prescribed for the student that is used or typically intended to be used to achieve a high or altered mental or physical state as identified in the Glenbard High School District #87 Student Handbook, Board Policy 7:190 regarding student discipline, and all other Board Policies.
- J. Not attend, host, plan or otherwise participate in parties, gatherings, or ride in automobiles, etc., where the athlete or others are using or in possession of any illegal or controlled substance, including marijuana, alcohol, unlawful drugs, “look-alike” drugs, drug paraphernalia, and/or any other substance not prescribed for the student that is used or typically intended to be used to achieve a high or altered mental or physical state as identified in the Glenbard High School District #87 Student Handbook, Board Policy 7:190 regarding student discipline, and all other Board Policies. If any Glenbard High School District #87 student athlete attends a party/gathering in which police make arrests for drugs, alcoholic beverages, or any illegal substance, and the student is listed on the police report as an arrest, witness, or attendee, they may be in violation of the Code.
- K. Not engage in criminal activity. Criminal activity is defined as any activity that would constitute a violation of any state or federal criminal law, other than a minor traffic offense. A police citation, arrest or ticket may be considered a violation of this provision.

DEFINITIONS: The following additional definitions will be used in applying this Code of Conduct:

Possession: Possession includes, but is not limited to, having access to an item in a school locker, personal effects, a vehicle, or other place where the item is located. It is not necessary that a student intend to control the item. A student may acquire knowledge of an item visually, by being told about the item, or through other sensory perception. A student’s knowledge will be determined based on the surrounding circumstances, not just the student’s statements. For example, “forgetting” that an item is in one’s locker, personal effects, or vehicle does not constitute lack of knowledge. Also, for example, coming onto school grounds or to a school-sponsored event in a vehicle which the student knows contains an item constitutes possession of that item, even if the vehicle or the item is not the student’s. A police citation, ticket or arrest for possession of any prohibited substance shall constitute possession under this Code. This provision on possession applies to any policy or rule which regulates or prohibits possession of any item, such as weapons or drug paraphernalia, and such substances as tobacco, alcohol, drugs and look-alikes of such items or substances.

Look-alike: A “look-alike” is any substance or item which is not, but reasonably appears to be, or is represented to be, the real substance or item. Examples include: (a) a toy gun which is very difficult to distinguish, except upon close examination, from an actual gun; (b) a green leafy plant material which is not, but is claimed, believed or intended to appear to be, marijuana; and (c) a white powdered substance which is not, but is claimed, believed or intended to appear to be a toxic chemical or biological agent.

Under the Influence: Being under the influence includes, but is not limited to, the emission of the odor of any of these substances, such as having alcohol on the breath, or any impairment of normal functioning,

such as slurred speech, inability to walk properly or dilated pupils. A police citation, arrest, or ticket for intoxication shall constitute being under the influence under this Code.

PROCEDURES FOR BREACH OF CODE:

A. When a student is found to be in violation of any section or provision of the Athletic Code, a consequence will be assigned by the Coach/Assistant Principal for Athletics and/or in consultation with the Assistant Principal for Student Services on a case-by-case basis.
