May 2019 Issue #12

Sandra Coughlin: Principal

As the end of the school year fast approaches, we are reminded of all the wonderful accomplishments our amazing students and staff have achieved. Glenbard South is proud to serve a broad and diverse student body where students can excel and be involved in all aspects of student life. I am grateful for the support and encouragement that so many have provided the Glenbard South community.

Eliminate the summer slide by enrolling in GS summer school and summer bridge programs.

Glenbard South is once again offering summer school programming to meet the needs and interests of our students. Information can be found at:

www.sr.glenbard.org Check out the latest course and bridge offerings, transportation schedules, and more. We know that some families feel conflicted about whether students should attend summer school or sports camps. No need to worry - our summer school principals,

Ms. Velasquez (amy_velasquez@glenbard.org)

and Mr. Voigt (collin_voigt@glenbard.org) work with our athletic department to coordinate both programs.

The Senior Raider Recognition & Scholarship Night will be held on Wednesday, May 15th beginning at 6:00 pm with a reception for families and scholarship donors in the Commons. The program will begin at 7:00 pm in the Auditorium. Seniors will be recognized for their involvement and contributions to Glenbard South during their senior year. In addition, major Academic, Athletic, Extra-curricular, and Department awards will be presented along with local scholarship winners.

New Date - May 9th deadline - RSVP for the Senior Raider Recognition & Scholarship Night - Follow this [link to the Glenbard South Booster page](#) to fill out the RSVP form. Glenbard South Boosters hosts the beautiful reception with light refreshments and great conversations. This event is for ALL seniors and their families. Recommended attire for seniors is Business Casual. If you have any questions, please call Diane Evans at 630-632-9607.

- *For more information please refer to the Senior Newsletter that was mailed home

Parking Lot Safety-

As we enter into spring, and near the end of the school year, please help maintain safety in our parking lot and our traffic procedures. Our posted speed limit is 20 MPH, by adhering to this speed limit you will help improve safe traffic flow. We have students and staff who are crossing the areas of traffic flow, this requires drivers to be alert and adhere to drop off zones near the bus area. We begin our one way traffic pattern at 7:00 am each morning. Please follow these procedures. Safety belongs to all of us!

Final Exam Schedule-

As we plan for the final weeks of school, we are attaching the final exam schedule to assist families in helping their student. Please work with your student in helping them manage their time and prioritize their schedule.

PROM - May 11, 2019

Prom 2019 will be at the Adler Planetarium in Chicago. Students will meet at Sky Zone in Elmhurst where they will board coach buses to and from Adler Planetarium. Students should arrive to SkyZone by 6:00pm. We will return to Sky Zone for Post-Prom 2019!

ANY junior or senior at Glenbard South can attend Post-Prom 2019. Post-Prom will be at Sky Zone in Elmhurst and is free to all those who attend! Check out Sky Zone from a South student's perspective on YouTube at:

https://youtu.be/5qvbXOd_0jY

Reminder to our South Families from Boosters: There are only a few days left until Post Prom. This year Post Prom will be held at Sky Zone in Elmhurst from 11:30 - 3:00 a.m. and is FREE to all South Juniors and Seniors and their Guests.

Post prom is a parent-run event with the support of Glenbard South administration and is designed to be a safe fun environment to help students make positive after prom choices. Our mutual concern is for the health and safety of our students.

To make this a successful event, we need parent volunteers and/or donations. No matter what grade your child is in, We encourage all parents to consider how they can support our students with this event. You can sign up here:

Avoid the [Summer Slide](#) by planning for enrichment activities now or enrolling your student in one of our many enrichment summer school programs that Glenbard South offers. Reminder: SAT/PSAT Test Results

Thank you for supporting a successful SAT test. Scores have been released for the April 9 and 10th testing dates. Please make sure that your students have created a [College Board account](#) as this is the only way they will be able to get their scores. If your student has any problems accessing his/her account, the

AP Testing

Testing season continues with AP Testing. You can see the test dates and locations for Glenbard South students at this [embedded link](#). You may only access this link using your students google log-in (Glenbard). Please know that some of our AP tests are being administered at Ackerman Sports Complex. Please be patient and supportive of students returning to the building in the afternoon, if bussing impacts traffic flow.

Senior Final Exams

Per our student handbook, seniors who are in jeopardy of failing a course must take a final exam. Seniors who are in jeopardy of failing a required graduation course will take their exams on Wednesday, May 15 in the Little Theatre. Any questions regarding final exams should be first directed to the individual course teacher. Further questions should be directed to the course department chairperson. Any questions on whether or not a class is needed for graduation should be directed to the student's school counselor.

Keep Learning Over the Summer!

As we approach the end of the year, please be sure to support students in finishing strong. Help them organize and prioritize end of the year assignments. Urge students to finish to the best of their abilities rather than just getting assignments done. [Edmentum Blogger Sarah Cornelius](#) makes suggestions to help parents as students finish the school that includes: asking questions, maintaining routines, and reflecting on the year.

The Glenbard South Library will check out books to students for the summer.

Tim Carlson: Assistant Principal for Athletics

College Athlete Recognition Ceremony

On Monday, May 13th, we will celebrate Raider student-athletes who

will be continuing their athletic careers at the college level. The ceremony will take place at 2PM in the Theater. Invitation letters to student athletes and parents were mailed out on May 3rd. If you are a senior student athlete and you will be going on to play in college, but have yet to notify your coach please let Mr. Carlson know as soon as possible. Student athletes and parents are encouraged to wear spirit wear from their future school. Refreshments will be served.

Bass Fishing Club

Congratulations to the Bass Fishing Club on their recent 2nd place finish at the IHSA Sectionals event. The team will head down state next week to compete at the IHSA State event at Lake Carlyle.

The State event runs from May 16-18. Good luck to State Qualifiers: Tyler Kalebic, Henry Conn, Ian Ruggiero and Quinn Mullany.

Rotary Significant Achiever Award

Back Row: Sara Vanderford, Jacob Oates, Taejour Burnett, Margaret Sim
Front Row: Claire Solon, Ashley Woltman

Each year the Rotary Club of Glen Ellyn gives special recognition to several

students from Glenbard South and Glenbard West who have made significant achievements in areas other than athletics and academics..

The criteria for recognition include at least one of the following:

The student has demonstrated unusual and outstanding effort in achieving personal goals and/or successfully meeting school and personal challenges or disabilities.

The student has demonstrated through his or her words, actions, or deeds significant leadership, assistance to others in school, home, community, and/or has demonstrated outstanding courage, resourcefulness, selflessness, or has provided outstanding efforts for assisting others to reach their goals.

The student has significantly contributed his or her time to community or other volunteer services.

Congratulations to the 2019 Rotary Significant Achievers!!!

Congratulations to Glenbard South Quill & Scroll newest inductees!

Honors Geometry classes collaborate on a fun project!

Students in Ms. Tilley's Honors Geometry classes explore the concepts of surface area, volume, and dimensional analysis through creation of their own foil robots. Using measuring tools and creative problem solving, students were tasked with calculating how much aluminum foil was needed to create each figure. Lots of collaboration and communication around math concepts with a very unique final product!

Summer School, Athletic Camps key to students'success

Summer school, athletics camp key to students' success

After what felt like an endless winter and a chilly, rainy spring, it's wonderful to look ahead to summer. For our students, it's important that summer is a mix of enjoyment and structure. As you map out your teen's summer, be sure to include Glenbard South's summer school and athletic camps.

This summer, we will offer classes in English, speech, math, science, social studies, world languages, technology and more. Whether it's recouping lost credits, taking a class to make room for other classes during the regular school year or enrolling in a Bridge class to transition to the next level of studies, summer school gives our students the knowledge and skills they need to be successful. Please review the numerous course offerings and schedules at sr.glenbard.org and register today. Financial assistance and free transportation will be available.

Credit classes will meet from 8:30 a.m. to 1 p.m. Mondays through Thursdays and most Bridge classes, which are free for freshmen, meet from 8:30 to 11:30 a.m. Mondays through Thursdays, allowing time for students to participate in our athletic camps, get to part-time jobs and enjoy free time.

Athletics are an important part of a comprehensive education. When our students participate in athletics and other extracurricular activities, they develop a sense of belonging, along with leadership, collaboration and communication skills. We are partnering with the Glen Ellyn Park District to present a variety of Raider sports camps. Check out dozens of options at <https://gepark.org/>

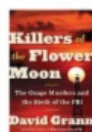

As we prepare our students for the future, we owe it to them to provide them with every opportunity for success. Summer school and athletic camps are key to that success.

Summer Reading 2019

Our students have their summer reading and here are summer reading suggestions for adults. Please join us in the next school year when we welcome these authors (and many others) as part of GPS 2019-2020. We are very excited to share the title of our community read to kick off the Glenbard Parent Series. Please join us. Details on our upcoming events can be found on GlenbardGPS.org

Glenbard Community Read: Killers of the Flower Moon
The Osage Murders and the Birth of the FBI
with David Grann September 5, 2018 at 7pm

The Glenbard Parent Series has selected the critically acclaimed novel, *Killers of the Flower Moon: The Osage Murders and the Birth of the FBI* by David Grann as the 2019 GPS Community-Wide Read.

In *Killers of the Flower Moon*, David Grann revisits a shocking series of crimes in which dozens of people were murdered in cold blood. Based on years of research and startling new evidence, the book is a masterpiece of narrative nonfiction, as each step in the investigation reveals a series of sinister secrets and reversals. But more than that, it is a searing indictment of the callousness and prejudice toward American Indians that allowed the murderers to operate with impunity for so long.

BULLYING AND SCHOOL VIOLENCE TIP LINE:

The Glenbard South School Violence and Bullying Tip Line is to report threats of school violence and /or bullying behavior. Please call (630)942-6677 to make a report.

Students who wish to report a potential act of school violence at Glenbard South may also leave an anonymous message with our Police Liaison Officer at (630)942-6697.
