## April 5, 2021 School Day Change

### **April 5th - Full Schedule 8-periods each day**

Beginning Monday, April 5th Glenbard South will return to our pre-pandemic 8-period day schedule. The newly released Public Health Guidance allows us to increase the number of students present on school grounds as well as serve lunches. So whether your student is currently Hybrid (A, B, or C) or fully remote, they will have a normal 8 period day schedule. Further details are bulleted below.

#### **Important!**

- Hybrid students will attend IN-PERSON each day and will provide weekly saliva samples.
- Remote students will remain fully remote each day.
- Saliva samples will continue to be collected for remote students involved in athletics and activities.

**Action steps!** The deadline to make this change is **Sunday, March 21st.**
