## Principal's Message

Welcome Spring!

There is energy in the air as we head into March. Over the past few weeks, more and more students have been on campus due to athletic teams, activities, and increased in-person learning time, which I find refreshing. March also reminds us that it's the mid-point of the semester and continued hard work and dedication are required. As a faculty, we often talk about the "3rd quarter slump" and we see a decrease in assignment completion and submissions, plus a decrease in classroom engagement in discussions and projects.

This is a critical time for students to stay focused, and persist with their studies. If academic or social-emotional support is needed, I ask that you use [this link](#) to find the resources you are seeking. Your student can also speak with their counselor.

Remember:

- Be responsible for deadlines and assignments
- Be ready to learn - iPad charged
- Stay mentally and physically attentive during class

## Spring Semester Calendar

The full calendar for our Spring Semester can be found [here](#).

## CLASS OF 2021

### Congratulations Class of 2021 - Mark your calendar

The commencement ceremony for the Class of 2021 will be on Saturday, May 22, with a weather make-up date of Sunday, May 23. We want to recognize our graduates while adhering to safety guidelines, so abbreviated ceremonies will likely occur. Although we are still discussing options, we anticipate holding our ceremonies on Glenbard South's campus. [Click here](#) for more information about celebrating our seniors.

## Glenbard South Celebrates Womens' History Month

Here is an interactive tool to learn about great women in history and their contributions to society. Click [here](#) to explore present and past. Thank you to faculty members: Elizabeth Anderson, Diane Mankowski, Ruben Rodriguez, Linette Chaloka, Jennifer Buedel, and Cyndi Morain.

## Congratulations to our TCD A Team

**Virtual College Fair**

# GLENBARD DISTRICT 87 COLLEGE FAIR

PROVIDED BY THE EQUITY AND INCLUSION COMMITTEE

**WEDNESDAY MARCH 10TH**  
DURING ALL LUNCH PERIODS.

Glenbard District 87 will host our 2nd annual college fair, presented by the Equity and Inclusion Committee. The Virtual College Fair is open to all Glenbard District 87 students and will be held on Wednesday March 10th during all scheduled lunches. Students will be able to visit with college representatives from the top 20 colleges and universities attended by Glenbard District 87 students. Students will gain a wealth of knowledge by attending a 15-minute admissions presentation(s), with an opportunity to ask questions to admissions counselors directly. Links will be made available on the day of the event in Schoology. Don't miss out on this great opportunity to connect with admissions representatives.

## NHS

### *Attention parents of Juniors & Seniors!*

**Junior Parents** – If your son or daughter had a 4.3 cumulative GPA by the end of the first semester of their Junior year, they received instructions how to fill out the NHS Candidate Application **in their gmail on February 3<sup>rd</sup>**.

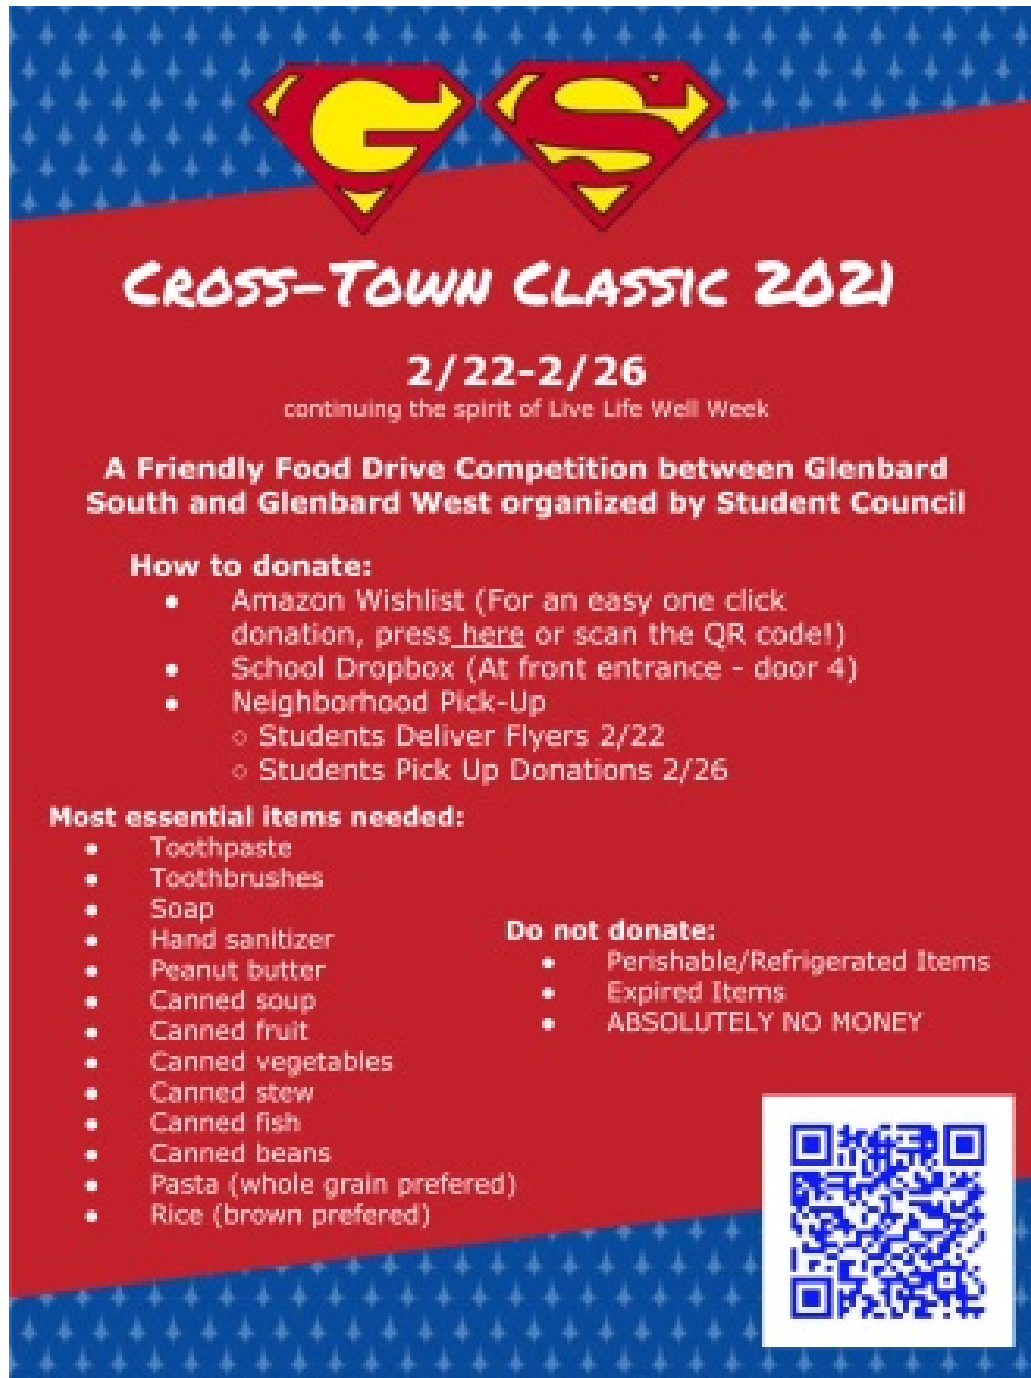

**Senior Parents** – If your son or daughter had a 4.3 cumulative GPA by the end of first semester of their Senior year - and they are not already members of NHS- they also received instructions how to fill out the NHS Candidate Application **in their gmail on February 3<sup>rd</sup>**.

We're doing this digitally for the first time this year. So please encourage them

to check their gmail if they are interested in applying. Students need to send the recommendation link to their selected teachers/coaches **by this Thursday, February 25th**. The remainder of the application materials are due **NO LATER than 3PM on Friday, March 12<sup>th</sup>**. No late applications will be accepted.

Questions: Ruth Homan – NHS Sponsor

## FOOD DRIVE

The flyer features a red background with a blue border at the top and bottom containing a white star pattern. At the top center are two Superman logos: the first is a yellow 'G' inside a red shield, and the second is the classic yellow 'S' inside a red shield. Below the logos, the text 'CROSS-TOWN CLASSIC 2021' is written in a white, stylized font. Underneath that, the dates '2/22-2/26' are displayed in a bold white font, followed by the phrase 'continuing the spirit of Live Life Well Week' in a smaller white font. The main title of the event is 'A Friendly Food Drive Competition between Glenbard South and Glenbard West organized by Student Council', written in white. Below this, the section 'How to donate:' is followed by a bulleted list of donation methods. To the right of this list is another section titled 'Most essential items needed:' followed by a bulleted list of food items. To the right of the essential items list is a section titled 'Do not donate:' followed by a bulleted list of items not to donate. In the bottom right corner, there is a QR code.

**CROSS-TOWN CLASSIC 2021**  
**2/22-2/26**  
continuing the spirit of Live Life Well Week

**A Friendly Food Drive Competition between Glenbard South and Glenbard West organized by Student Council**

**How to donate:**

- Amazon Wishlist (For an easy one click donation, press [here](#) or scan the QR code!)
- School Dropbox (At front entrance - door 4)
- Neighborhood Pick-Up
  - Students Deliver Flyers 2/22
  - Students Pick Up Donations 2/26

**Most essential items needed:**

- Toothpaste
- Toothbrushes
- Soap
- Hand sanitizer
- Peanut butter
- Canned soup
- Canned fruit
- Canned vegetables
- Canned stew
- Canned fish
- Canned beans
- Pasta (whole grain preferred)
- Rice (brown preferred)

**Do not donate:**

- Perishable/Refrigerated Items
- Expired Items
- ABSOLUTELY NO MONEY

## PBIS

Congratulations to the following teachers for being nominated Raider staff member of the Week!

1. Emma Cecchin

2. Derrick Crenshaw

Congratulations to the following students for being nominated Raider students of the week!

1. Benjamin Murray-Patti
2. Skyler Kassel
3. Matthew Atlas
4. Sam Boyd

Congratulations to the following classes for winning our perfect attendance competition recently!

1. Ms. Harper's 4th period class

## **College and Career Exploration Virtual Events**

# COLLEGE AND CAREER EXPLORATION

**GLENBARD SOUTH COUNSELORS ARE HOSTING A SERIES  
OF VIRTUAL EVENTS IN MARCH TO HELP STUDENTS WITH  
THEIR COLLEGE AND CAREER SEARCH**

---

**March 1 @ 1:30-2:30 - Career Exploration (10th - 11th grade)**

**March 2-5 - Career Speakers (open to all grades)**

**March 8-9 @ 1:30-2:30 - Matching Colleges with Career Interests  
in Naviance (10th-11th grade)**

**March 10 @ lunch periods - College Fair (open to all grades)**

***Check Schoology for more information and Zoom links.***

## College and Career Exploration Events - March 1-10

Glenbard South has partnered with the Rotary Club of Glen Ellyn to host a series of virtual college and career exploration events on March 1-10. These events are open to all students in grades 9-12. Sign up to hear from various local professionals about their careers in a 30-minute question and answer Zoom session in the afternoon. These Virtual Career Speakers begin on March 2, and the list of professions include:

Accountant/Fire Fighter

Architect

Business Owner of a Computer Consulting and Repair company

CEO of Glen Ellyn YMCA

Counselor/Therapist

Dentist/Travel Agent  
Govt official, (Glen Ellyn Village Manager)  
International Sales Director  
Lawyer  
Physical Therapist  
Police Chief of Glen Ellyn  
PR/Communications Director for District 41  
Wastewater Engineer/Administrator for Glenbard Wastewater Authority

Look in your student's Schoology posts for the form to sign up to talk to as many professionals as they would like. Ms. Lange will facilitate all the events and will send students the Zoom link and a list of possible questions to ask the professionals. Contact Anne Lange at [anne\\_lange@glenbard.org](mailto:anne_lange@glenbard.org) with any questions.

## RESOURCES

Dear Families,

Because of the COVID-19 pandemic, students who normally get free or reduced price school meals at school may be eligible for a program to help your family buy groceries. This program is called Pandemic-EBT (P-EBT).

For each day that K-12 schoolchildren lack access to an in-school lunch, P-EBT provides eligible families with \$6.82 in benefits per student, per day. These benefits are provided on a card that can be used like a debit card to purchase food at [any grocery store that accepts LINK cards](#).

If your child is already enrolled in free or reduced price school meals AND your address is up-to-date:

Your child will get P-EBT automatically for qualifying days (days when the child lacked access to an in-school meal).

Each child will receive their own card with their name on it.

Cards will be mailed to you in March.

Cards will arrive in an unmarked envelope so please be on the lookout.

Families should hold onto their P-EBT card(s) because future benefits will be loaded onto the same card.

If you are new to your school district, your student is not enrolled in free or reduced price meals, OR you recently moved:

You must fill out a free or reduced-price school meal application with your school.

Your child may be eligible for benefits retroactive to August, but you should complete an application as soon as possible.

Please visit your school website or call your school to submit a school meal application.

You can get your P-EBT card mailed to the school instead, but you must notify the school that you want to do this.

All students are eligible regardless of immigration status. P-EBT will not be considered under the public charge rule.

Students can still get free meals from school and community sites and get P-EBT, too:

Take home meals and P-EBT are separate programs.

To find free meal sites near you, text the word "food" or "comida" to: "877-877"

You can also visit your school district website to find school meal locations in your area.

Don't forget: to receive P-EBT benefits, it is important that your address is up-to-date with your school.

For more information about P-EBT, please visit [www.chicagosfoodbank.org/pebt](http://www.chicagosfoodbank.org/pebt).

## **P-EBT Frequently Asked Questions**

**Answers to many commonly asked questions about P-EBT food benefits for Illinois residents:**

### **What are P-EBT food benefits?**

The Pandemic Electronic Benefit Transfer (P-EBT) provides benefits to certain children who receive free or reduced price school lunches under the National School Lunch Act. P-EBT is a temporary food benefit program operating during the COVID-19 pandemic. P-EBT only provides benefits for days that students lack access to an in-school lunch. P-EBT provides \$6.82 per each school day that schoolchildren are engaged in remote learning.

### **Who is eligible for P-EBT benefits?**

Your child and your school must meet certain criteria to be eligible for P-EBT:

Your Child:

Must be enrolled in free or reduced price school meals at a school operating the National School Lunch Program; OR,  
Must be enrolled in a Community Eligibility Provision (CEP) or Provision-2 school, which offers breakfast and lunch free to all students; AND,  
Must have lacked access to an in-school lunch at least some days of the month

Your School:

Must operate the National School Lunch Program; AND,  
Must have been closed or operating at reduced capacity at least 5 consecutive days at some point during the 2020-2021 School Year.

### **How are P-EBT benefits issued? Do I need to apply?**

If your child is already enrolled in free or reduced price school meals AND your address is up-to-date:

Your family will get P-EBT automatically. Each child will receive their own card.

Cards will be mailed to you in March.

Cards will arrive in an unmarked envelope so please be on the lookout.

Families should hold onto their P-EBT card(s) because future benefits will be loaded onto the same card.

**If you are new to a school district, your child did not receive free or reduced price meals last school year, OR you recently moved:**

You must fill out an application for free or reduced price school meals by contacting your school.

### **I don't have a home address. Can I still apply?**

You can get your P-EBT card mailed to the school instead, but you must notify the school that you want to do this.

### **When will P-EBT benefits be issued?**

Benefits will be issued for August 2020 through June 2021 for the days that

schools have been closed during the 2020-2021 school year.

In March, families will receive a distribution for the months of August 2020 through December 2020.

In April, families will receive a distribution for January 2021 through February 2021. Beginning in May, families will receive a monthly benefit for the remainder of the school year.

Benefit will be issued between the 11th to the 22nd of each month going by the first letter of the student's last name. Students' benefits will be issued on the same day on subsequent months so your family can plan your food budget.

**I am worried about receiving P-EBT because of my immigration status. Will getting this benefit count in a public charge test?**

No. It is important to know that P-EBT will not count in a public charge test. All students are eligible regardless of immigration status. Visit [Protecting Immigrant Families](#) for information about what public benefits impact the public charge test.

**I have been receiving grab 'n go meals at my school. Can I still receive P-EBT?**

Yes, children and teens can still get free meals from school and community sites AND get P-EBT, too – they are separate programs.

To find free meal sites near you, text the word “food” or “comida” to this phone number: “877-877”

You can also visit your school district website to find school meal locations in your area.

**In the 2019-2020 school year I had to apply for P-EBT benefits. Do I need to fill out another application?**

You do not need to apply for P-EBT, but you must make sure your child is enrolled in free or reduced price meals OR attends a CEP school where all meals are provided for free AND that your address is up-to-date with your school.

**In the 2019-2020 school year I received P-EBT benefits. Will the benefits for the 2020-2021 school year be loaded onto the same P-EBT card?**

No, you will receive a new P-EBT card with the student's name on the card. Each month, benefits will automatically be loaded onto that card for as long as P-EBT operates.

**In the 2019-2020 I received P-EBT benefits but I threw away or lost my P-EBT card. Can I still get benefits?**

Yes, you will receive a new P-EBT card with the student's name on the card. Each month, benefits will automatically be loaded onto that card for as long as P-EBT operates.

**If I'm currently receiving LINK, can P-EBT benefits be loaded on to there?**

No, you will receive a new EBT card with the student's name on the card specifically for P-EBT. Each month, benefits will automatically be loaded onto that card for as long as P-EBT operates.

**My child is attending school in the classroom every day. Are they eligible for P-EBT?**

P-EBT benefits are supposed to replace the meals that students receive in person at the school. A student who is in the classroom full time will receive meals at the school instead of receiving a P-EBT benefit.

My child is attending school in a hybrid model where they are in the classroom some days and learning remote some days. Are they eligible for P-EBT?

Yes, your child's attendance will be counted by the school and they will receive a benefit amount based on the number of days that they lack access to an in-school lunch.

**I think my child is eligible for free or reduced price meals but we haven't enrolled. Can I still get P-EBT?**

You can still get P-EBT but you must apply for free or reduced price meals with your child's school. If you apply now, you may be eligible for benefits retroactive to August but you should apply as soon as possible.

**How do I know if my child is eligible for free or reduced price lunch?**

Look at the chart below for the [income eligibility guidelines](#) for free or reduced price school meals.

**My child received free or reduced price school meals, but I did not receive a P-EBT card in the mail. Who do I contact?**

Benefit cards will not be mailed until March.

If it is February or March, please be patient as the state starts this new program.

If it is the end of March, your child is enrolled in free or reduced price meals, and you have not received your P-EBT card, please call the Illinois Department of Human Services at 1-800-843-6154 or email [DHS.FCS.PEBT@illinois.gov](mailto:DHS.FCS.PEBT@illinois.gov).

If you did not complete a school meal application or your address is out of date with your school, you should contact your child's school.

**My child didn't get P-EBT in the 2019-2020 school year. Can I apply now and still get P-EBT benefits for the 2019-2020 school year?**

No, you cannot get P-EBT benefits for the 2019-2020 school year. However, you may be eligible to receive benefits retroactively to the start of this school year (August 2020) if your child was engaged in remote learning.

**If my child receives P-EBT, can I still get food pantry benefits?**

Yes, your participation in government programs does not affect your ability to get food from the food pantry.

**Where can I redeem P-EBT benefits?**

P-EBT benefits are provided on a debit card that can be used like a debit card to purchase food at any grocery store that accepts LINK cards. Visit [www.fns.usda.gov/snap/retailer-locator](http://www.fns.usda.gov/snap/retailer-locator) to find a store near you

**QUESTIONS AND ANSWERS**

**Answers to many commonly asked questions about P-EBT food benefits for Illinois residents:**

**What are P-EBT food benefits?**

The Pandemic Electronic Benefit Transfer (P-EBT) provides benefits to certain children who receive free or reduced-price school lunches under the National School Lunch Act. P-EBT is a temporary food benefit program operating during the COVID-19 pandemic. P-EBT only provides benefits for days that students lack access to an in-school lunch. P-EBT provides \$6.82 per each school day that children are engaged in remote learning.

## SUPERINDENDENT MESSAGE

Superintendent outlines student achievement highlights

With so much going on during the pandemic, it's important to pause and celebrate good things happening in our schools. The impressive metrics noted below are reflective of the strong instruction, programming and partnership of Glenbard District 87 and our six sender school districts. Let's look at a few key student achievement highlights:

### SAT success

Our students' average SAT continues to outpace the state average SAT score by 49 points. Our SAT score growth of 16 points in the past year is also above the state and national averages.

### College Board Equity and Excellence

Our recent College Board Equity and Excellence recognition notes 47% of seniors passing one or more Advanced Placement courses during their

four years at Glenbard. This is more than double the national and state averages, 20.1% and 21.5% respectively.

#### Postsecondary success

We have prepared students for postsecondary success by exposing them to college-level AP coursework, increasing the percentage of students exposed to an AP course from 58% to 72% in seven years.

Over the past 6 years, we have added more than 1,000 traditionally underrepresented students participating in at least one AP course during 11th and 12th grade.

We have a 73% AP passing rate of 3 or higher, which is higher than the state and national averages.

#### Graduation rate

We maintain a strong graduation rate of 98 percent.

#### College graduation

Glenbard students graduate college with a four-year degree at a rate 9% higher than the national average.

These key highlights happened because of our students' hard work; families' support of students; and the work of our exceptional faculty and staff. In partnership with you, we are empowering students to be successful in the future they choose.
