Welcome Back

RAIDER

PRIDE

Good afternoon, Raider families,

We are eager to welcome back all of our students to school tomorrow, August 11th. School begins at 7:35 am and dismissal at 2:35 pm. Students should enter the building at Door 1 or 4. We will have many people greeting our students to their 1st period class. All staff is prepared to help students throughout the day to find their classes or their way around the building. We anticipate students to have all sorts of emotions about the return to school, but hope by the end of the week they feel energized with a new sense of Raider Pride and reconnection to school, staff, and their peers.

Our Glenbard South Boosters will be putting together the **2021-22 Booster Directory Spot** in the next few weeks. **If you are interested in opting out of the directory, please email Ms. Maria Mazza, Assistant to the Principal, as soon as possible at maria_mazza@glenbard.org.**

Assistant Principal of Instruction

Mr. Sean Byrne

Good afternoon, Raiders!
My name is Mr. Sean Byrne. I am very excited to be joining the Glenbard South family this year. This is my 24th year in schools and I have been working in District 87 for the past ten years as the Department Chair for Science, Technology, and Engineering at Glenbard West. The entire administrative team, faculty, and staff have been incredibly welcoming to me. It has been even more exciting to have students in the building recently, for Raider Rush, Raider Refresh, and registration. I am looking forward to working with Department Chairs and all teachers to support your students as we return to school. Please do not hesitate to reach out with any questions or concerns.

Assistant Principal of Operation Mr. Taff Nielsen

School Counseling

Questions about your schedule?

If your student has a schedule conflict or a question about a particular class, please ask them to see their counselor during their lunch period, study hall period or during the class period they have a conflict with. There will be signage outside of the school counseling office.

College Application Season!

Senior year is an exciting time! However, we understand the entire post secondary/college application process can be a stressful one. Between visits, financial considerations, discussions on the right fit, and pressure put on you by the colleges themselves trying to get you to apply early, things can easily become overwhelming. This is especially true for many of our seniors who may be the first in their family to apply to college. Your school counselors are available to guide all seniors and their families along the way.

New for 2021, your school counselors will be hosting a College 101 senior presentation series to help students throughout each step of the way. These will take place after school on Mondays, during PLC time, from 1:55pm to 2:35pm. There are three meetings planned, starting this coming Monday! The dates are August 16, 23 and 30th.

Save the Date: After the College 101 series, counselors will host Senior Success week right after Labor Day, September 7th-10th, during the first half of senior lunch periods. Please encourage your seniors to attend these important meetings. More to come!

College App Lingo!

When applying to college, you are bound to come across unfamiliar terms. This glossary can help you make sense of all the information you're sorting through. [Click here](#) to learn the college app lingo.

Assistant Principal of Athletics Mr. Tim Carlson
