Welcome Back Raiders

Good afternoon, Raider Families!

It has been truly awesome to welcome students and staff back into the building during this past week. We are all excited to start the 2025-26 school year. As I have shared with many of you, our theme for the year is **"Never Hide Your Raider Pride!"** We have so much to be proud of at Glenbard South, starting with our amazing students. I have challenged each student to look for ways to share the things they are proud of with us and with each other. Additionally, I hope they will look for more opportunities to learn and grow throughout the year, so we can look back at the year and be proud of all we have accomplished.

Our first day of class is this Thursday, August 14. Classes begin at 8:00 AM and students will be dismissed at 3:00pm. Even though our first day of school is Thursday, we will not have a block schedule this week. Students will attend all 8 periods of the day. Please see the specific schedule for classes below:

All students received a sticker copy of this schedule for their iPads. Please ask your student to stop in to the main office if they need another one.

Finally, please see the image below that explains our **morning traffic patterns**. Please allow extra time in the morning because of the construction on Butterfield Road. This project is being managed by the Illinois Department of Transportation (IDOT) and is not related to any Glenbard construction work. We are monitoring the situation closely and so everyone can arrive safely to school tomorrow.

The lane closest to the school is reserved for bus drop off only.

The 2 middle lanes are for student drop off. Staff will be on site to provide safe crossing for students. Cars cannot move until students are clear from the area.

The lane closest to the stadium is for driving thru and parking in the student/staff parking lot. For safety reasons, students should not be dropped off in this lane of traffic.

Thank you for all your support Raider Families. Please see our website with more information about upcoming events and activities. Do not hesitate to reach out if you have any questions.
